**2010-2011 Kindergarten Registration Follow-Up**

(Delivered on Thursday, July 29, 2010)

Good afternoon.

This is Pam Sensenig from the central enrollment office at the Ephrata Area School District. I am calling concerning your child entering kindergarten for the coming school year. To date, the required paperwork has not been received, and your child has not been enrolled.

The district is currently assigning students to buses and to either a morning or afternoon classroom session. We look forward to welcoming your child to the kindergarten program; however, until the necessary paperwork is completed, your child is not enrolled and will not be included in this process.

Please contact the central enrollment office at (717) 721-1402 by Thursday, August 5 to schedule a time to complete the enrollment process for your child.

Thank you. I look forward to hearing from you.
