Spring Sports Wrap

The EMS **Girls Soccer** Teams kicked up this year. Despite using many first-year players on the Varsity, the team managed a 5-win season. The Junior varsity ended their season with 7 wins against 6 losses and 3 ties.

The EMS **Track** and Field season competed at the highest level at regular dual meets, invitationals, relay events, and the L-L League championships.

Personal records were broken and re-broken by every member of the 54-member team, readying for high expectations next year.

BIG KIDS NEXT YEAR

The days in this school are becoming less and less! The beginning of the school year felt like a little bit ago! I am proud to say that I'll be an eighth grader next year! All the seventh graders this year will be the big kids in the school next year. I'm proud to say that I'll be responsible for being a good role model toward the younger

grades next year and that I will keep my grades up to show it.

Being a seventh grader is fun, too, so even though I'll enjoy being in eighth grade I'll still miss my teachers in the seventh grade wing.
