

PARENTS! Is your student looking at ALL of their options for after high school? Did you know there is more than one path to a successful career? Get on the fast track to career success now by attending the *Redefining Career Success* Technical Forum at Ephrata High School on October 12th from 6-8pm! This is the perfect opportunity to talk to leading career experts, network with employers, and learn about the variety of successful career options. You and your student can enter to win a \$500 or \$1000 scholarship for qualifying, post-secondary (or college) educational expenses! For more information and to register, visit your guidance department or go to [www.lancastercountywib.com](http://www.lancastercountywib.com).
