MIDDLE SCHOOL ADMINISTRATION

Mr. Peter Kishpaugh, Principal
Mr. Russ Garman, Assistant Principal
WELCOME to the EMS

Welcome to the start of the 2019-2020 school year at EMS. This handbook is designed to place, in your hands, the day-to-day information you need at school. As we start a new school year, we want to encourage you to take an active part in our school activities. Those activities cover a wide range of interests. We hope you will contribute to our school community by participating in at least one event during the school year. By combining your academic program with positive activities at school and in the community, we know you will have a rewarding year. By following a few principles of good behavior, all members of our school community should have an excellent school year. As a student, we encourage you to abide by the three principles listed below:

- **Students will accept responsibility for their own actions and success.**
- **Students will respond positively and respectfully to any reasonable request made by a school staff member.**
- **Students will show respect for themselves, others, and school property. We hope you have an outstanding school year here at the Ephrata Middle School.**

Sincerely,

Mr. Kishpaugh and Mr. Garman
ATTENDANCE PROCEDURES

OVERVIEW
The Ephrata Area School District attendance procedures support the correlation between regular classroom attendance and academic achievement. Students who attend school regularly have a notably better chance of achieving their highest potential and achieving required levels of proficiency according to PA State Standards. Please work to schedule medical appointments and driver’s license tests during non-school hours. The district cannot educate students or provide them with support and assistance when they are not in attendance at school. It is a shared responsibility of the school and home to assist students to develop habits of punctuality and attendance.

STUDENT ATTENDANCE RESPONSIBILITY
- Attend school regularly and arrive to school on time.
- Obtain and make-up assignments and tests which have been missed.

PARENT ATTENDANCE RESPONSIBILITY
- Make certain that students attend school regularly and on time.
- Notify the school in advance of any anticipated absences.
- Provide the school with an acceptable written explanation and documentation concerning each absence on the day of return.
- Make certain that all requests for an early dismissal are for a legitimate and necessary reason.
- Make certain all educational travel forms are completed and received in timeframe requested.
- Avoid scheduling appointments and educational trips during important testing windows.
- Keep all contact information updated on student verification forms.

AUTHORITY
- Pennsylvania Public School Code, 24 PA Codes 13
- State Board of Education Regulations Pupil Attendance, 22 PA 11

ATTENDANCE PROCESS
All students who have been absent from school are required to bring a written excuse to school signed by a parent/guardian no later than three (3) school days following the absence. ALL ABSENCES ARE CONSIDERED UNLAWFUL/UNEXCUSED UNTIL A WRITTEN EXCUSE NOTE IS RECEIVED (District supplied notes are strongly encouraged).

The following information must be included on excuse notes:
- Date/dates of absence
- Reason for absence
- Parent/guardian signature – emails are not valid, a signature is required
EXCUSED ABSENCES
Not all absences are excused - as per school board policy, the following will be excused:

- Illness, including if a student is dismissed by designated district staff during school hours for health-related reasons.
- Obtaining professional health care or therapy service rendered by a licensed medical practitioner in any state, commonwealth, or territory.
- Quarantine.
- Recovery from accident.
- Required court attendance.
- Death in family.
- Participation in a project sponsored by a statewide or countywide 4-H, FFA, or combined 4-H and FFA group, upon prior written request.
- Observance of a religious holiday observed by bona fide religious group, upon prior written parental request.
- Non-school sponsored educational tours or trips, with prior written approval.
- College or postsecondary institution visit, with prior written approval.
- Other urgent reasons. Urgent reasons, including family emergencies, shall be strictly construed and do not permit irregular attendance.

Notes for dates provided beyond the 3-day return window, leaving school without permission, and transportation issues will not be excused. The building administrator may require a doctor’s certificate in situations where frequent absences are occurring and/or it appears absences are unexcused and/or unlawful.

A maximum of ten (10) days of cumulative lawful absences verified by parent/guardian notification are permitted during a school year. All cumulative lawful absences verified by parent/guardian note beyond ten (10) days will require an excuse from a physician.

MEDICAL APPOINTMENTS
Families should attempt to schedule medical appointments before and after school when possible. When an appointment must occur during the school day, a written request outlining the appointment, time, and provider should be brought to school prior to the appointment. Upon return to school, a note from the medical provider should be supplied. The absence will not be excused without a note from the provider.

EDUCATIONAL TRIP/VACATION
All vacations must be preapproved using the District Educational Trip form. Failure to obtain preapproval will result in the absence being classified as unlawful/unexcused. Forms are available in the school office and on the district website. A form is also attached at the back of the handbook. Students are permitted up to 8 educational trip days per year.

Educational trips during the first and last ten (10) days of school and during scheduled testing times (for state-mandated assessments – PSSA, Keystone Exams, final exams) are strongly discouraged and may not be approved during these windows. The testing calendar is available in your student’s school office.

Please try to avoid scheduling family trips during the following PSSA testing windows:

- English Language Arts Testing: April 20th – 24th
- Math and Science Testing: April 27th – May 1st
- Make Up Testing: May 4th – May 8th
COLLEGE VISITS, MILITARY, OR CAREER EXPERIENCE
Any student who wishes to visit a College, Military, or Career Experience must complete a Pre-Approval Form. This form must be submitted at least (2) school days before the visit, or the absence will be considered unexcused. Students should inform their teachers of the upcoming absence and make up all class work missed during the absence. This absence will count toward the eight absences permitted in EASD Policy 204, Attendance.

UNLAWFUL ABSENCE PROCEDURE
Non-attendance without lawful excuse is a violation of compulsory attendance laws of this Commonwealth. Parents/Guardians of students under age 17 are responsible for their child’s attendance in school.

- 1st unlawful absence – Letter of notification sent after three-day (3) time frame has expired for excuse notes.
- 3rd unlawful absence – Letter of notification sent after three-day (3) time frame has expired for excuse notes. A School Attendance Improvement Conference with the parent/guardian and a school official will be scheduled to complete a School Attendance Improvement Plan (SAIP).
- 6th unlawful absence – Considered habitually truant according to PA School Code and Ephrata Area School District policy. SAIP has been broken and further attendance issues could result in the following consequences:
  - Required make up time for missed days (obligation time)
  - Loss of privileges
  - Possible referral to the County Office of Children and Youth
  - Possible referral to a truancy diversion program
  - Prosecution of additional unlawful absences for students age 16 and under

Tardy minutes will also be counted toward unlawful absences. 420 tardy minutes will be considered an unlawful absence. Sample letters are included at the end of the handbook.

TARDINESS TO SCHOOL
Students have the responsibility to get to school on time and be ready to start the day. Unexcused/unlawful tardies can accumulate into unexcused/unlawful days. 420 tardy minutes will be considered an unexcused/unlawful absence and can be subject to a citation. If a student is tardy because of a medical/dental appointment, the student must bring a written note from a parent/guardian or medical/dental office when reporting to school late.

Students will be dismissed to their homerooms at 7:18 AM. Students are expected to be in their homeroom seats by 7:27 AM. Students must bring a written note from a parent/guardian or medical/dental excuse and report to the attendance office if they are tardy.

- 7:27 A.M. – Students arriving after 7:27 a.m. report directly to the Main Office, not their homeroom.
- When a student receives his/her 5th unlawful tardy, a letter is sent to parents and if necessary, a meeting is scheduled with the building administration. After the 6th unlawful tardy, a student may receive an administrative detention.
EARLY DISMISSALS
Early dismissals are excused for the same reasons as full day absences. Students are required to turn in a note at the beginning of the school day when an early dismissal is anticipated.

For emergency situations, parents may come into school to sign their student out OR a note with the signature of either a parent or a doctor/dentist can be faxed indicating that the student has permission to leave. **Emails and phone calls alone are not accepted for excused dismissals for those students leaving independently.**

Students may also be excused by school personnel for illness. Regardless of the reason, an early dismissal may impact a student’s ability to participate in extra-curricular activities later that day.

School Attendance Improvement Plan (SAIP)
The School Attendance Improvement Plan (SAIP) is a collaborative team meeting including school staff, family, and if appropriate, the student. This process intends to bring all those involved in a student’s life together to brainstorm and explore possible solutions to improve the student’s attendance. The team discusses causes of truancy and develops a plan for regular school attendance.

The school will make attempts to include the family in the process. If the parent/guardian does not respond or refuses to attend, the school will develop a SAIP and provide a copy to the family via mail.

Truancy Diversion Plan
The district works with the County District Attorney’s office to provide support for families struggling with truancy. After a student has accumulated a certain number of unlawful days, the district may refer the family to an intervention with the District Attorney’s office. **The intention of the program is not punitive, but instead aimed at helping improve student school attendance.**

HOMELESS STUDENTS
Tough Times Affect Everyone
If your family lives in any of the following situations, your children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

- Doubled up with friends or relatives because you cannot find or afford housing due to economic hardship, or a similar reason
- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations

Your children have the right to go to school, no matter where you live or how long you have lived there. They may continue in the school they attended before you became homeless if that is feasible, or they may attend school in the district in which you are temporarily staying if that is your choice. Your children also have other rights that can be explained to you by contacting the Ephrata Area School District Home and School Visitor, Jen Lugar at (717) 721-1468. You may also contact the National Center for Homeless Education toll-free at (800) 308-2145 for more information.

Cell phones, iPods, smart watches, electronic games, cameras, radios, CD players, MP3 players, laser pointers, beepers/pagers and other personal electronic devices not distributed by the school district are not be used, heard, or seen during the school day. Upon entering homeroom, these devices should be turned off and remain off until students exit the building. Devices should be stored in lockers or kept in the student’s possession. The school will not be held responsible for lost or stolen devices. Parents are encouraged to not call/text their children as cell phones will be inactive for the day.

- If student is caught using a personal electronic device, it will be taken and turned in to the office.
- Failure to surrender a cell phone/electronic device to a staff member will result in immediate office contact, confiscation of the device, and administrative consequences.

Consequences:
- 1st Offense – Student may pick up cell phone/device at the end of the school day.
- 2nd Offense – Parent/guardian must pick up cell phone/device at the end of the school day.
- 3rd Offense – Parent/guardian must pick up cell phone/device at the end of the school day. (Possible administrative consequences)

*Picture taking or video recording is not permitted in any location of the school. Taking pictures/recording of any kind is a severe violation and will be addressed as such.

No students are permitted to be in possession of laser lights/pens in school at any time. These items are considered dangerous to other individuals in the building due to the intensity of the laser beams. If students are caught with these items, they will be confiscated and turned into the office.

USE & RETURN OF DISTRICT-OWNED DEVICES
Students are expected to follow the guidelines outlined in the EASD Student Device Handbook. Students and Parents/Guardians are responsible for the return of any district-owned devices on loan to students. Failure to return any device in working order at the agreed upon time will result in a billing to the student and parent/guardian for the replacement of the borrowed device. Intentional misuse resulting in damage to a borrowed device will be repaired, a bill for restitution will be forwarded to the student, and when deemed appropriate, teacher and/or administrative consequences may be enforced.

EARBUDS / HEADPHONES
At the discretion of the classroom teacher, students may use earbuds/headphones, for educational purposes, with his/her school issued device. Earbuds/Headphones are not permitted to be worn during transitions between classes or in the cafeteria. Additionally, earbuds/headphones are not allowed to be used with cell phones or other personal devices at any time.

CUTTING CLASS
- Students who cut class will not be permitted to make up work they missed during that class period.
- Administrative consequences will be issued.
- Students will not be permitted to participate in any extracurricular events that school day.
- Consequences (if students leave school property):
  - Leaving school property is considered an unlawful absence.
DISPLAYS OF AFFECTION
All physical contact, other than holding hands, is discouraged, as displays of affection are not necessary in a learning environment. Consequences:
   o 1st Offense – Teacher warning to students
   o 2nd Offense – Teacher refers student name(s) to administrator for administrator/student conference.
   o 3rd Offense – Parent conference and potential administrative consequences.

DRESS AND APPEARANCE GUIDELINES
One of the most essential roles of the leadership of the middle school is to maintain an atmosphere in which learning can take place. Therefore, a student’s manner of dress and appearance must not be disruptive to the teaching or learning process. It is our policy that student dress should convey a sense of respect for self and others.
   o A student’s clothing should be clean and in accord with the health and safety regulations of the Commonwealth of Pennsylvania.
   o All dress should be in accordance with the Ephrata Area School District’s Code of Conduct

General Dress Guidelines

   o Tops and bottoms of clothing may not be made of see-through material.
   o Undergarments must be covered. Pants should be worn at waist level.
   o Winter coats shall be kept in the locker and not worn in the classroom.
   o Hats, bandannas, or head coverings will not be worn inside the school building.
   o Only prescription glasses may be worn in the building. No sunglasses.
   o Spandex material should be covered by an outer garment.
   o Footwear must be worn at all times. Slippers are not permitted.

     • Parent notification will occur if necessary to obtain a change of clothing.
   o 2nd Offense
     • Student will be asked to follow procedures from first offense.
     • Student may be assigned an administrative detention with parent contact.
   o Repeated offenses
     • Parent conference and/or administrative detention.
INTERNET USE
- Provision of the Internet for EASD is for curriculum and school-related uses.
- All students must follow the acceptable use policy adopted by the Board of Education. Students will sign a Student Network Acceptable Use Agreement form for their compliance with all acceptable use policy guidelines at the start of each school year, or upon enrollment in the District.
- While the school has taken precautions to ensure the educational use of the Internet, it is impossible to control access to all materials and an industrious user may locate inappropriate materials.
- Each student is assigned a unique ID number to access the Internet.
- Students may not share this number with another student.

  - Student Council sponsored activities (Mini-Thon, Spring Formal Dance, etc.)
  - Assemblies
  - Team activities
  - School-wide activities
  - Other eligibility events

PLAGIARISM/CHEATING
Academic integrity is critical to maintaining an ethical climate that values respect and honesty in school. Adherence to academic honesty does not mean students may not help one another. Collaborative learning is constructive and a valuable instructional practice. However, it is understood that any academic work students complete as required in any course must be their own work. While there can be a variety of pressures and temptations for students, none of these pressures or temptations justify committing any of the unethical behaviors listed below.
- Plagiarism: Using the ideas, data, or language of another without specific or proper acknowledgement.
- Cheating: Using or attempting to use unauthorized assistance, material, or study aids in examinations or other academic work.
- Fabrication: Submitting false or altered information in any academic exercise.
- Multiple submission: Submitting, without prior permission, any work submitted to fulfill another assignment.
- Misrepresentation of academic records: Misrepresenting, tampering with or attempting to tamper with any portion of a student’s grades/academic records.
Plagiarism/Cheating Consequences:
Teacher may use their discretion in the first case of an unintentional academic integrity violation.
  - 1st Offense: Student will receive a zero for the assignment.
    - If student is permitted and chooses to redo assignment, that grade will be averaged with the zero.
    - Teacher will notify parent/guardian and complete a discipline referral to record the offense.
  - Subsequent Offenses
    - Student will receive a zero for the assignment without an option for redoing the assignment.
    - The teacher will notify the parent/guardian and an administrator. Parent/Teacher/Administrator conference will be held.

SECURITY AND SAFETY SEARCH
- School administrators have the authority to require students or other persons under their jurisdiction to submit to a thorough search of shoes, clothing, handbags, wallets, lockers, backpacks and vehicles.
- School administrators shall take possession of any illegal or unauthorized materials found as a result of such a search, pending its release to proper authorities or disposal.
- Searches shall be conducted with an appropriate witness, which may be the student’s parent, staff member, or police representative.
- While not routine, random canine “sniffs” of the area surrounding student lockers are possible at any time throughout the school year.

SMOKING (BOARD POLICY 222, SEE DISTRICT WEBSITE FOR COMPLETE POLICY)
- Smoking or possession of tobacco products, in any form, within sight of school property and on any buses, vans and vehicles that are owned, leased or controlled by the school district will not be tolerated.
- For the purpose of this policy, tobacco use shall be defined as use and/or possession of a lighted or unlighted cigarette, cigar and pipe; vaporless electronic cigarettes; other lighted smoking product; and smokeless form of tobacco in any form.
- The Board prohibits tobacco use and possession by students at school-sponsored activities that are held off school property.

- A student is in possession of a weapon when the weapon is found on the person of the student; in the student’s locker; under the student’s control while on school property, on property being used by the school, at any school function or activity, at any school event held away from the school, or while the student is coming to or from school.
- Consequences:
  - Expulsion for a period of not less than one year.
  - The Superintendent may recommend modifications of such expulsion on a case by case basis.
TRANSPORTATION POLICY

SCHOOL BOARD POLICY #810, SEE EASD WEBSITE FOR COMPLETE POLICY

- Pupil transportation in the state of Pennsylvania is not a required mandate and is considered a privilege.
- Transportation will be provided for resident students, public and non-public, who live more than: **Grades 7 - 8: two (2) miles from the middle school**
- Transportation service may be provided to students who live on roads that have been certified hazardous by the Pennsylvania Department of Transportation.
- While the law permits the school district to furnish transportation if it elects to do so, the school district does not relieve parents of students from exercising responsibility and supervision until such time as the child boards the bus in the morning and after the child leaves the bus at the end of the school day.

BUS STOP GUIDELINES

- Be on time at the designated bus stop at least 5 minutes prior to assigned time.
- Respect the property rights of people who reside at or near your bus stop.
- Respect the school bus danger zone, a 10-foot wide area surrounding the bus on all sides.
- When waiting to board, remain far enough away from the bus that you can clearly see the driver’s face.
- When you are sure the driver has seen you, and the bus has come to a complete stop, approach the bus in a single line without running or pushing.
- When it is necessary to cross the street to board the bus, wait for the driver to signal that it is safe for you to cross and walk far enough away from the bus so that you can see the driver’s face (minimum of 10 feet).

BOARDING THE SCHOOL BUS

- Enter the bus in an orderly manner and take your seat. Bus drivers will assign seats. Do not get into private vehicles with strangers. **SPECIAL NOTE:**
  - High School and Middle School students are required to board their assigned bus home at their school building.
  - Middle school students are **NOT** permitted to walk to the high school and high school students are **NOT** permitted to walk to the middle school to get their buses home without obtaining written administrative permission.

HOW LONG SHOULD I WAIT FOR THE SCHOOL BUS TO ARRIVE? Students must be at the bus stop at least five (5) minutes before the scheduled bus arrival time. If the school bus does not arrive at the bus stop on time due to mechanical failure, road or weather conditions; the pupil is expected to wait a reasonable length of time (at least ½ hour in inclement weather) before returning to his or her home.

- Whether the school bus is on time or late, students are to be visible to the driver and are to be prepared to board the bus.

WHO IS AUTHORIZED TO RIDE THE SCHOOL BUS?

- Eligible students are permitted on the school bus
- Walkers may **NOT** ride the school buses.
- Teachers, school officials, or a parent may be permitted to ride with prior approval from the Transportation Office
EXITING THE SCHOOL BUS
- Exit only at your school or designated bus stop.
- When leaving the bus, immediately step far enough away from the school bus “danger zone” (a 10-foot wide area surrounding the bus on all sides) so the bus driver can see you. All students departing from the bus that live on the opposite side of the road are to cross the road at least 10 feet in front of the bus, and only when the driver signals that it is all clear. The red lights on the school bus should be flashing.
- Never chase a bus after it has pulled away from the bus stop. The bus driver cannot see you. After exiting the bus, do not return to the vehicle to pick up anything you left behind. Go directly home.

IN CASE OF BUS ACCIDENT
- In the event of an accident involving a bus traveling to or from school, injured students will be transported to a medical facility based on recognized emergency medical services protocol.
- Arrangements will be made to transport the uninjured students to their appropriate school buildings.
- As confirmed information is received, parents will be notified immediately. Parents will be asked to contact the individual buildings to leave their name and the telephone number where they can be reached.

WHAT IF I MISS MY SCHOOL BUS TO GO HOME?
- If you miss your designated school bus to go home, DO NOT try to catch up with the school bus.
- Return to your building and make arrangements with the building administrator to obtain written permission from the office to board their bus at another building.

WHERE DO I DIRECT MY CONCERNS ABOUT TRANSPORTATION?
- Parent(s) are directed to contact the school building administrator if problems should arise concerning behavior or discipline of students being transported by Ephrata Area School District.
- Parent(s) are NOT to confront the bus driver regarding the problem or attempt to board a vehicle while it is transporting district students. Building administration will work cooperatively with the parent(s), student(s), bus driver, bus contractor, and the district transportation representative in an attempt to resolve the problem.
- The building administrator will decide in each case whether punishment is necessary and, when it is necessary, and administer the appropriate punishment.

HOW DO I GET PERMISSION TO RIDE ANOTHER SCHOOL BUS?
- Walkers may NOT ride the school bus without written permission from an administrator. Parents must provide a handwritten note for student to ride a different school bus.
- Permission will be granted on case-by-case basis

VIDEO CAMERAS ON BUS
- All school buses contracted or operated by the Ephrata Area School District will be monitored for student behavior by means of video cameras that will be activated whenever the bus is in operation. The use of the surveillance system, visual and audio on school buses, is intended to promote safety and to discourage student misconduct while they are being transported.
DISCIPLINE
The administration considers the school bus an extension of the school classroom, and maintains the objective of securing the desirable behavior on the part of all students riding the school bus.

- Although the prime responsibility for dealing with student conduct rests with the administrator of the school, the school bus driver is responsible for the health, safety and welfare of each passenger while in transit.
- The school bus driver has the same type of responsibility as the classroom teacher and has full authority over the occupants on the bus.

SCHOOL BUS RULES
1. Student behavior while waiting for the school bus or while riding the bus must be appropriate to assure the safety of all students.
2. The school bus is an extension of the school; all school rules apply. Observe regular classroom conduct and follow the bus driver’s instructions.
3. Remain in your assigned seat at times and face forward.
4. Do not change seats at bus stops.
5. Keep your hands, head and feet inside the bus at all times.
6. Loud talking, laughter and other similar conduct can distract the driver’s attention and may result in a serious accident.
7. Keep the aisle clear.

Overview
Consistent re-teaching/reassessment, late work and weighting procedures will insure grading continues to be accurate, consistent, meaningful and supportive of student learning (Guskey, 2007; Marzano, 2007; O'Connor, 2007). With this in mind, 7th and 8th grade students will be given opportunities for re-teaching and reassessment when they are not demonstrating proficiency in all content areas.

Reassessment
The following reassessment procedures will be followed:
- Teachers will assess student learning in a variety of ways across a grading period.
- Teachers will determine the method, schedule and scope of learning activities for re-teaching that must be completed by the student prior to reassessment.
- Students wishing to retest should make a reassessment plan with his/her teacher within two weeks of the graded assessment being returned. The student will be able to use the reassessment to make up at minimum, half of the missed points on the original assessment. Teachers can use professional judgment to allow more than half of the points to be made up on a reassessment.
- Students wishing to retest should complete all prior-related assignments, as outlined in the reassessment plan.
- Assessments may be reassessed partially, entirely, or in a different format as determined by the teacher/department (CUA reassessment methods must be consistent within the department)
- Re-teaching and reassessment opportunities will be provided for every assessment.

Late work
Students will make every effort to complete missing work. Due to the dramatic impact a zero has on an overall grade (quarter or semester), a zero will be used as a last resort if the student chooses to make no effort to complete an assignment or assessment.
- Assignments that have not been submitted by the due date should be recorded as a zero numerically and flagged with the “late mark” in the Gradebook. The zero will count as a zero until the work is handed in. At the end of a marking period, any remaining “late marked” zeroes will remain at zero unless changed by the teacher.
- Zeros may be given but only with documentation to support efforts made to avoid the zero. For clarification on specific assignments, please see Mr. Kishpaugh.
- Students are strongly encouraged to work with their teachers during enrichment/pass periods and afterschool to complete missing work. Any late work will receive up to a 10% reduction for being 1-5 school days late. Work that is over 5 school days late or submitted more than 5 days following the end of a unit may receive up to a 30% reduction.
- Work that has been reviewed/corrected in class may still be made up by a student, but up to a 30% reduction may be applied to such work. An alternate assignment is encouraged for work that has already been reviewed/corrected.

Gradebook Guidelines
In order for consistent gradebooks across the building, the follow guidelines should be followed by all staff members. These guidelines are in place to ensure that each student has an up-to-date understanding of where he/she stands in his/her demonstration of learning.
- Assignments should be graded and returned to students in a timely fashion.
- Gradebooks should be updated weekly.
- There should be at least 9 grades per marking period (approximately 1 per week)
**Vacations, Holidays, and Homework**
- There should be no assignments given over holiday or vacation breaks.
- The amount of homework given on any night should be limited to a reasonable workload and/or not assigned.
- Teams of teachers should work together to plan homework assignments so that students are not overloaded on any single night.
- Homework should be a direct extension of the classroom activities and NOT busy work or excessive. Any work worth assigning is worth checking and returning to the student.

*All exceptions to these guidelines should be approved by building administration.
*A copy of the student reassessment form can be found at the end of the handbook.

**GENERAL INFORMATION**

**ANNOUNCEMENTS**

Dear Parent/Guardian of “First & Last Name”:

The Pennsylvania Public School Code and Ephrata Area School District Policy require regular school attendance for all school-aged children. This requirement applies to all children enrolled as students in school, regardless of their age. This letter is to make you aware of the potential consequences of unlawful school absences and to prevent a pattern of truancy from developing. Regular school attendance is an important part of each student’s success and is critical to gain the greatest benefit from the educational experience. Students who are frequently absent from school miss direct instruction and regular contact with their teachers.

“First Name” had an unlawful absence on “Date”.

All absences are counted as unlawful unless the Ephrata Area School District receives a timely written excuse explaining the reason for the absence. If a written excuse is not provided within three (3) days from the absence date, the absence will be permanently marked as being unlawful for the student.

Additional unlawful days may result in any or all of the following consequences:
• A parent conference to write a School Attendance Improvement Plan
• The filing of a citation with the local magisterial court for alleged violations of compulsory attendance laws. Penalties for any conviction may include fines of up to $750.00 for each offense
• Referral to the County Office of Children and Youth
• Referral to a truancy diversion program

This letter serves as our first communication regarding an unlawful absence(s) for “First Name”. If you have any questions, please call my office so that we may work together to ensure educational success for “First Name”.

Sincerely,

Principal

Dear Parent/Guardian of “First & Last Name”:

Your child has three (3) unlawful absences from school during this current school year. Unlawful absences will have a negative effect on your child’s educational progress and could result in your prosecution for violations of compulsory attendance laws. Penalties for conviction may include fines of up to $750.00 for each offense. Habitual truancy may also lead to referral of this matter to the County Office of Children and Youth, which could determine that your child is “dependent” under applicable child welfare laws.

Our primary goal is not to punish and pursue dependency status, but rather to ensure that your child attends school regularly. We are therefore requesting you and your child attend a School Attendance Improvement Conference (SAIP). The purpose of this conference is to develop a plan that will identify supports and strategies to improve your child’s school attendance. You may bring to this conference any person you believe might serve as a resource in the design of these supports and strategies. If you intend to invite such a person, you must notify us at least three days before the date of the conference.

The School Attendance Improvement Conference will occur on “Date” in the school office of “School” at “Time”. Please advise us by the end of the school day on “Date” whether you and your child will attend this conference. If we do not hear from you, we will proceed with the scheduled conference without you and will develop a School Attendance Improvement Plan without your involvement.

Please confirm your attendance and address any questions concerning this notice by calling the Principal at “Phone Number” or by email to “Principal Email Address”.

Sincerely,

Principal

Sixth Unlawful Absence

“Date”

Dear Parent/Guardian of “First & Last Name”:

This letter is sent to alert you that “First Name” has accumulated six (6) or more unlawful absence days on “List Dates” and is now considered to be ‘Habitually Truant’ for purposes of the Public School Code and Ephrata Area School District policy.

We have already completed a Student Attendance Improvement Plan (SAIP) for your child to provide support to improve school attendance. Please note that further unlawful absences may result in the following consequences:

- You or child being prosecuted before the local magisterial court for violations of compulsory attendance laws. Penalties for conviction may include fines of up to $750.00 for each offense.
- Referral to the County Office of Children and Youth.
- Referral to the Lancaster County District Attorney's Office Truancy Diversion Program.

Ephrata Area School District shares the common goal with you to ensure that your child reaches their full potential. Your child’s regular school attendance is an improvement to ensure that happens. If you need support in this area, please contact your child’s school counselor for assistance. If you have any questions or would like to discuss these unlawful absences, please contact me so that we may work together to ensure your child’s educational success.

Sincerely,

Principal

Excessive Absence Notice

“Date”

Dear Parent/Guardian of “First & Last Name”:

This letter is notification that “First & Last Name” has missed ten (10) days of school since the start of the current school year. We will now require a physician’s excuse for any additional days of absence. This request is in compliance with Ephrata Area School District Attendance Policy and will begin on the fifth school day following the date of this letter.

To avoid increased medical costs, we suggest you send your student to school with minor complaints. The school nurse is always available for all students during the entire school day.

In almost all cases, improved daily attendance leads to better student progress and increases the probability of a successful educational process. Thank you for your cooperation. If you have any questions on this action, please call me.

“First Name” was recorded absent on the following dates:
