www.EASDPA.org/ParentPortal

Dear Ephrata Area School District Parents/Guardians:

Information that is normally mailed home in a letter at the end of the summer is now available in the Parent Portal, including transportation details and class schedules.

Information will be available in the Parent Portal on the following dates:

- Monday, August 17 - Schedules for Grades 5-12
- Thursday, August 20 - Schedules for Kindergarten through Grade 4
- Approximately Monday, August 24 - Transportation Information for All Grade Levels

During the week of August 24, once the transportation information has been released, please sign into the Parent Portal, click *School Information*, and click *Submit* to verify your receipt of this information.

If you have not already set up your Parent Portal, a letter with instructions was mailed to you in July. If you do not have this letter, please use the QR code or web address above to access Parent Portal resources, including initial set-up instructions and a video tutorial. Feel free to also call your child's building if additional support is needed.

All future District communication will take place similarly via the Parent Portal or in an email, text message, or phone call. This will include verification or updates to your contact information, emergency contacts, and student health information to replace the forms previously sent home at the beginning of each school year. If you are not able to receive communication across these channels, please contact your child's building principal to make other arrangements.

Thank you!

Brian M. Troop, Ed.D.
Superintendent
