

Ephrata Area School District is using Microsoft Teams for parent meeting and conferences. Guest users (parents) do not need an account to join a meeting, but you will need to have Microsoft Teams app installed if you are planning on joining the meeting on a smart phone or tablet. This will allow you to get the full meeting experience. If you are planning on attending a meeting via computer, it is recommended to attend the meeting through the Chrome browser or install the Teams program.

**Please use the following links to install the required application(s) prior to joining your scheduled meeting:**

**iPhone/iPad (IOS) - <https://apps.apple.com/us/app/microsoft-teams/id1113153706>**

**Android Device - <https://play.google.com/store/apps/details?id=com.microsoft.teams>**

**Chrome Browser Install - <https://www.google.com/chrome/>**

**Teams Install - <https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/download-app>**
